

A NEW, Convenient App to Reach Hungry Customers!

Mood To Eat® is new and revolutionary online ordering application created by team of foodies dedicated to making connections between restaurants and customers as convenient, effortless and affordable as possible.

Through **Mood To Eat**, we offer restaurants **FREE*** marketing, easy-to-use technology and **FREE* EXPOSURE** to new customers **ALL AT NO COST*!**

NO New Devices, NO Cost & FREE* Publicity

- ✓ **NO** new Point-Of-Sale software or special apps are required; orders are made and managed on existing devices
- ✓ Participating venues get **FREE*** publicity to a new audience of **Mood To Eat** app users
- ✓ **PLUS**, **Mood To Eat** gives venues a unique opportunity to create loyal patrons through photos and pricing

It's EASY to Participate on Mood To Eat!

- 1.** Choose 5 of your preferred menu items with photos, descriptions and pricing.
- 2.** Indicate the delivery options that are available for your patrons (pick-up, delivery or both).
- 3.** **Mood To Eat** will take care of the rest and promote your restaurant!

Patrons Will Enjoy Ordering From Your Restaurant Through Our App!

Mood To Eat® does **NOT** profit off restaurant commissions. It's **FREE***, **CONVENIENT**, and puts venues' menu options at users' fingertips with the **Mood To Eat** app.

With our easy-to-navigate menus, modifier options and secure payment, **Mood To Eat** users can order and checkout in three easy clicks.

Mood To Eat is a self-sustaining user reward system! Patrons receive **FREE* LOYALTY POINTS** from **Mood To Eat** toward any restaurant featured on the app. As they continue to use the app, users will collect more loyalty points, encouraging them to use **Mood To Eat** again and again!

We Look Forward to Featuring Your Restaurant on Our App!
